Forestdale School

151 Route 130, Forestdale

Families are not one size fits all! This group celebrates the variations that adoptive families, foster families, kinship guardians, and all those raising children in our changing world, are dedicated to. Differences with a parent's age, race, or family relationship can be a confusing road to navigate confidently. In this group, "all roads lead to home"!

This group is dedicated to supporting parents who encounter those unique sets of challenges and rewards every day. Valerie Perry, and Steve Alexander of Adoption Journeys, will facilitate the discussion each month. This non-therapeutic group is for everyone who could use the support and sharing that other families can offer along this "journey".

Families will enjoy a snack together, then children will play under the supervision of professional staff while adults discuss the challenges and rewards of parenting beyond the traditional family structure.

This program is FREE, thanks to the funding support of The Mass. Dept. of Early Education and Care and Child and Family Services Inc., but participants **MUST register by calling Lauren in the SPF Office at 508-477-6600, ext. 132**
